

Our Local Area

STICKY KNOWLEDGE

More people live in urban areas and less people live in rural areas.	We use maps to get to different places.	Pinner is our local environment
A map uses symbols to guide us	Human features are made by humans and natural features created by nature	

KEY VOCABULARY

Environment	The area in which I am in
Human features	A human feature is an object created by humans, such as houses, bridges and cars.
Physical features	A physical feature is an object created naturally, such as trees, rivers and mountains.
Urban area	An urban area is a busy place with more than 10,000 people.
Rural area	A rural area is a quieter place with less than 10,000 people.
