Urban Rulez - How does Pinner Wood fit into the local town and country

STICKY KNOWLEDGE

Human geography is the branch of geography dealing with how human activity affects or is influenced by the earth's surface.	Grid references is a universal way for us to describe where things are on a map.	Physical geography is the branch of geography dealing with natural features.
Urban means in, relating to, or characteristic of a town or city and rural means characteristic of the countryside rather than the town.	Industrial mean built up by factories and industry.	Demographic is the structure of populations.

KEY VOCABULARY

Agricultural Area	An area used mainly for the farming of various product or the growing of livestock (animals)
Industrial Area	An area made up of heavy industry and factories
Commercial Area	An area made up of buildings such as shops, shopping centres or business districts.
Transport	A way of travelling from one place to another
Demographic	A particular section of a population
Population	The total number of people living in a country, city or other area.
Country	A large area of land where people live under the same government or have same culture; nation

Pinner:
 County: Middlesex
 Population: 10,026

History:
 Pinner was originally a hamlet, first recorded in 1231 as Pinnora, although the already archaic - ora (meaning 'hill') suggests its origins lie no later than c. 900. The name Pinn is shared with the River Pinn, which runs through the middle of Pinner.

Famous names:
Elton John was born in Pinner on 25th March 1947. He went on to become a very famous singer and song writer!

Map of the United Kingdom:

Countries: England, Scotland, Wales and Northern Ireland

United Kingdom of Great Britain and Northern Ireland

Capital cities:
 England: London
 Scotland: Edinburgh
 Wales: Cardiff
 Northern Ireland: Belfast

Countries: The country of England is split further into 48 different counties. These are regional areas. The largest county is Yorkshire. The smallest is the Isle of Wight.
