### Considerations

1. **Playground equipment**
  2. **Whole school activities**
  3. **More trips**
- *Swimming for other years*
  - *Two sports days - More opportunities to use PE equipment e.g. gymnastics frame*
  - *Science experiments History opportunities*
  - *Classroom roles/more opportunities for responsibilities*

### Frustrations

- Delayed lunches and shortage of food/cutlery/cups- earlier lunch/more of the popular options/more cutlery
- State of the toilets- toilet monitors/toilet logbook/discussion
- Some activities taking over the playground- designated areas

Not enough testing for maths passports- do two a week instead
