- Night
- Day
- Planet

# The Night Sky

## Autumn 2 2023

## Activities to Try

You can use your body to create different shadows. Use a torch and your hands and see if you can try and make some shadows on the wall.

Can you design a rocket to travel into space and post it on Tapestry? (Online learning journey)

Can you come up with your own alien greeting to say hello?

## Key Questions

Where does light come from?

Why is it dark at night?

Where might an alien come from?

Can you name any of the planets?

## Texts we will read

Aliens Love Underpants

Little Glow

Meet the Planets

Aliens love Underpants

Somebody Swallowed Stanley

The Best Diwali Present

and more Non-Fiction books

## Family Links:

Can you make a telescope and tell a family member what you can see through it.

Some websites to look at:

1. Planet song

[The Solar System Song - YouTube](#)

2. Alien phonics game
