

Pinner Wood School

Welcome to Pinner Wood School

Pinner Wood is a three form entry school, set in a first class learning environment, for children from Nursery to Year 6. We run a Breakfast and After School Club providing services for families additional to the school hours.

We pride ourselves that we are a happy, inclusive school where everyone matters. We offer a holistic education - we want our children to develop as responsible and caring citizens who succeed in all aspects of school life. Our core values sit at our heart and are reflected in everything we do. We employ a fabulous, dedicated team of staff, all committed to ensuring pupils receive the best education possible. We work in partnership with families from the very start, to ensure every child has the very best opportunities.

We are immensely proud of our pupils and what they achieve with us.

At Pinner Wood our ethos is to:

- be safe and happy
- have respect for and show kindness to each other
- learn and achieve to the very best of our ability.

I hope you will take the opportunity to visit Pinner Wood, if you have not already done so. You will then see for yourself all the wonderful things we achieve with our children.

I look forward to welcoming you.

Regards

Miss Sarah Marriott
Headteacher

Our Vision

Our vision for every child

'Growing as we learn, learning as we grow'

Our vision for our school

Pinner Wood's vision is to be an exceptional school.

We strive to be at the heart of our community, delivering a high-quality, knowledge rich curriculum for all our children.

We are committed to providing an all-round education. We aim to inspire children's minds (with a love of learning and academic knowledge), hearts (enhancing their well-being and character education) and hands (developing problem solving, critical thinking and practical skills). We encourage children to think and 'dream big', to become life-long learners, ready to impact and make a positive contribution to our world.

We endeavour, as a whole school community, to instil a love of learning and a thirst for curiosity in our children, both in and out of the classroom, harnessing a variety of teaching techniques and approaches to stimulate, develop and nurture inquisitive minds.

We pledge to provide our children with a wealth of opportunities and unforgettable experiences throughout their journey with us to inspire and challenge. We encourage everyone to 'step up', take responsibility for their development and contribute to the community in which they belong.

Everyone at Pinner Wood embraces individualism and diversity, celebrates differences and shows respect, kindness, care and compassion for all.

A Pinner Wood learner will grow in confidence. Their curiosity and resilience will blossom, readying them for the next stage of their educational journey. They will develop lifelong transferable skills, important values and qualities in order to live a happy and fulfilling life.

Our Values

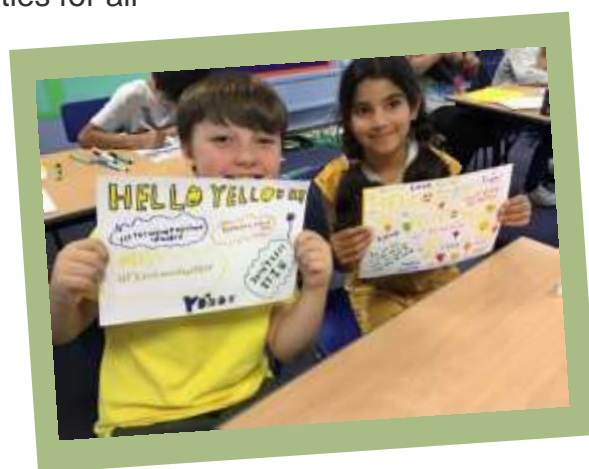

We all pledge to uphold our Pinner Wood Values by...

Pupil Pledge

1. As a pupil of Pinner Wood School, I agree
2. to be the best that I can
3. I will Dream Big, come to school, prepared to learn, and have high expectations for myself and the world I live in
4. I will show Strength Through Positivity, persevere through challenges and be determined not give up
5. I will Choose Kindness, respect myself and everything around me, both people and resources, through my words and actions
6. I will be the Heart of the Community – participate in whole school and class discussions/projects and make a positive contribution to my community
7. I will Step Up to take responsibility for my actions and use skills to resolve conflict in a positive way
8. I will Enjoy Learning and take advantage of all the opportunities and experiences offered to me and bring a positive attitude to learning

School Pledge

1. Dream Big – the school will provide lots of opportunities, experiences and support new ideas for pupils to dream big and have the highest expectations for our school and community
2. Strength Through Positivity – the school will teach pupils to be resilient, provide a safe environment where it is ok to make mistakes, equip our pupils and staff with the skills to mediate and solve conflicts in a safe and purposeful way
3. Choose Kindness – the school will encourage kindness at all levels. All behaviour at all levels is dealt with within our agreed code/policies. We will not tolerate inappropriate behaviour or that that falls below our Pinner Wood expectations and detrimental to the school core purpose
4. Heart of the Community – the school will reflect the community in which it sits and make links with the community in a two-way system – give to us; we give back
5. Step Up – the school will encourage leadership at all levels, support ideas and encourage research and independent thinking
6. Enjoy Learning – the school ensures our curriculum is relevant, engaging and inspiring to others with high quality teaching and a consistent approach across the school. The school encourages all pupils to enjoy learning and provides opportunities for all

Our Curriculum

Our curriculum intent

'Learning as we Grow, Growing as we Learn.'

At Pinner Wood we believe that a child's primary education is key to setting the foundations for lifelong learning, so it is vital that we get it right for all of our pupils. We want to deliver a high quality broad and balanced curriculum for all children.

We want children to have success in all traditional subjects whilst developing essential, transferable life skills in order to prepare them for later schooling and adulthood in a fast-paced and constantly evolving world. Life skills include: critical thinking, team work and communication, building self-esteem and independence and developing leadership skills. We believe that all learning must be purposeful, positive and meaningful, so that children will feel engaged and motivated when accessing and succeeding in a broad and balanced curriculum.

Our philosophy ensures we provide an all-round education. The 'heads, hearts and hands' model supports our way of learning. We want to inspire children's minds, hearts and hands.

Teaching and learning

The quality of teaching at Pinner Wood is exceptional which enables us to personalise learning in order to meet every child's needs. Specialist Teachers and support staff work closely with Class Teachers to ensure every child is given opportunities to reach their full potential.

Our Learning Environment

At Pinner Wood we have lots of space and excellent indoor and outdoor facilities for our children.

We have:

- large bright classrooms
- an Early Years outdoor learning area
- a breakfast and after school club
- a Multimedia Suite and 15 iPads per class
- group rooms
- a music room
- a food technology room
- a library
- two large halls
- three grassed areas
- a sports field
- a learning garden and outdoor classroom
- three playgrounds
- a nursery
- a specialist centre for children with SEN needs – The Acorn Centre.

Our children

The children at Pinner Wood come from a range of ethnicities, religions, languages and abilities. They work and play happily together in a safe and secure environment where everyone can flourish. Our pastoral care of the children and safeguarding is an essential part of our offer.

We value the contribution children make to the life of their school.

Pupil voice is valued and students are given roles throughout the school such as Head Squad, Prefects, Values Ambassadors, Eco Team, Playground Leaders and School Council.

Partnership with you

At Pinner Wood we work in partnership with every family. You will find us approachable, friendly, ready to listen and ready to help. We will meet with you regularly to discuss your child's progress and set home learning every week via our online learning app.

It is our privilege to teach your children. You can help us by volunteering in school, joining the Friends Committee or being part of the Governing Body.
