

## Pinner Wood School Governing Body Newsletter - December 2020

Dear Parents and Carers,

What another extraordinary term! As a Governing Body, we are so happy to have the children back. It has been great to see how quickly the staff and children have adjusted to the new 'normal'. Well done and thank you to all for adapting to the new roles, and for working so hard to keep school safe.

Thank you to our parents and carers who have been following the rules and supporting their children at home. Please remember to stay up to date with the guidelines and rules, these are on Miss Marriott's newsletters and emails if you need them. It is important for everyone that you follow these and isolate when you have to.

Although the pandemic continues, it does not stop our plans for the future. We have been busy reviewing our long term goals for the school.

In the new year, there will be more information on the Governing Body pages of the Pinner Wood School website. The headlines are:

- To develop a stronger place for our school in the local community
- To evolve the curriculum to include a wider subject base and different ways of learning
- To continue to build our school community to focus on the well-being of all
- To integrate and build on the school's technology
- To create a sustainable school for the future

As a Governing Body, we have been going through some changes. We have said goodbye to Bushra Anwar and Shaheen Warren, both have been governors for 4 years and have taken on critical roles in their time - thank you for everything!

At the same time, it is fantastic to welcome Mohammed Chowdhury and Tejal Tanna as parent governors, and Dhurita Radia and Joel Suthesh as a co-opted governor. We are looking forward to making the most of their skills and experience. Thank you to all of those who participated in the recent parent governor elections.

For more information about the Governing Body, what we do, our plans and our committees, please go to the school [website](#) or get in touch via our email address [here](#).

We hope you stay safe and have a happy holiday, no matter how you are able to celebrate!

Carolyn Hector  
Chair of Governors
