Welcome Back to Pinner Wood

Dear Parent/Carers,
Happy New Year!

It feels amazing to be writing and welcoming you back to Pinner Wood. I hope you all had a lovely break with your children and are ready for the new term.

What an eventful few months we have had together and I am so glad that we have now returned 'home' safely. Can I extend a particularly warm welcome to our new families both throughout the school and in Nursery/Reception who have never been to 'the real' Pinner Wood before. I hope you like what you see!

The staff worked so hard to get the school packed up, moved and set up for the children over the holidays. It was also a great opportunity for us to have a much needed 'clear out' and I am sure you will agree it looks fabulous! Thank you to everyone for their hard work but in particular to Keith Gibbs, Adam Shaw (Site Team) and Dan Leigh (IT support) who worked tirelessly over the whole break to get everything ready and set up for today – we are so lucky to have such a hard-working and dedicated PW team.

We have so many exciting things planned for the children this term as we settle in and enjoy life back in Pinner.

Miss Sarah Marriott

What a Celebration!

Many Thanks to 'The Friends of Pinner Wood' – Jenny, Emma, Daniela, Jane, Kamal and the team for the amazing opening ceremony this morning. It will go down in Pinner Wood's history. The local press were in attendance so please look out for the stories. It will be on London live between 5-7pm tonight.

I think we should start every Monday like that!

New Website

Today, we launched our brand new Pinner Wood Website. We hope you will find it informative. Please take a look at.

We are also going to start using Twitter as a quick way to keep you up to date with all the latest goings on at PW. Our tag is @PinnerWoodSch. Please follow us. A further letter with more details will follow on how to go about this.

Site Work

The majority of the site work is now complete, 5,000 tones of silt went underground to stabilise it. I am told that is the equivalent to the weight of 1,250 elephants, making us one of the safest sites in the UK! I am aware that it is difficult for the children to see what went on so have asked PBA (the company that worked on site) to come and do an assembly for them next week.

The Carpark works are ongoing and this remains out of action. Our temporary entrance is through the Children's Centre please use this to access the school.

You can help us by walking, car sharing or parking further away from school whilst this continues. I will keep you updated on the progress

Celebrations on Friday

We look forward to seeing you on Friday for our Celebration Party organised by The PW Friends. The Flying Seagull Project will be back to entertain the children. Please remember the event is all ticket. There are still spaces available for the later Friday performance 7.30-8.15- if interested please email friendspinnerwood@gmail.com requesting your tickets. There will be a jazz band downstairs, nibbles and drinks.
