April 2018

Welcome Back

Dear Parent/Carers,

I hope that you all had a lovely break with your children. It's good to see the sun finally shining as we start the new term!

We are all set for a very busy but exciting term ahead. There is so much going on and we have tried to plan in as many dates as we can, as I know this helps families prepare. The second page of this newsletter contains all the dates for the term. These can also be found on our website:

pinnerwood.harrow.sch.uk

All the staff attended a very informative INSET session yesterday lead by our Educational Psychologist Dr Rif Malik. It was excellent and the theories and strategies shared definitely support our 'Pinner Wood Way' where care/support of children are at the heart of everything we do. We discussed lots of strategies that will help us around school and keep our practice strong.

Thank you to all of you that filled out our questionnaire last term. The feedback was overwhelmingly positive and it was useful to receive some comments that we can now address in school. We will send out a more detailed overview of the results in the next few weeks.

Miss Sarah Marriott

Fundraising

A Huge Well Done To The Friends of Pinner Wood!

They exceeded the fundraising target of £1,500 for the playground installation through the Just Giving page, cake and uniform sale. Thank you to everyone who support and helped us.

I had hoped to be able to put a picture of the new equipment on here this month but due to the terrible weather the installation has been delayed. This is now planned for May half term – and we cannot wait!

There will be one 'Friends' event this term the Summer Fair that will be held on Saturday 14th July from 11am - 2pm.

The Friends Committee have worked so hard for the past three years but will 'retire' after this event. We are keen to hear from people that would be happy to take over so we can still hold these exciting events. Please come and see us or email:

friends@pinnerwood.harrow.sch.uk

Anyone for Cricket?

Middlesex Cricket Club will be running an All Stars cricket program for years 1-4 throughout this half term. The program consists of 2 weeks of coaching during class PE, followed by a mini cricket festival. The children attended the opening assembly today. The aim of the program is to give children the basic skills to participate in cricket and then direct any keen cricketers to their nearest cricket club to sign up for the upcoming season. There will be a member of Middlesex cricket club around in the playground on a couple of Thursdays, after school, to field any questions and help point you in the direction of your nearest cricket club. We look forward to this program and hopefully we can discover some new cricket stars of the future!
