What an Amazing Month!

Dear Parent/Carers,

What an amazing month it has been back at Pinner Wood! The children have all settled in so well and the behaviour has been impeccable across the school.

We have had so many exciting things happen; it has been one huge celebration. No-one will forget the amazing assembly from Michael Rosen the other week. We also have a very good understanding of what happened now underground, thanks to a very informative assembly from Peter Brett Associates, as well as the fantastic 'Welcome Home' party organised by The Friends of PW. Clubs and school trips are now back on and I know that the children are really enjoying these.

A huge welcome to our new families, who have joined us or come back to us over these last few weeks. Our numbers are nearly back up to full capacity as people have wanted to be part of our exciting school and the future now is very certain!

Best Wishes

Miss Sarah Marriott

Michael Rosen

Many thanks to Michael Rosen, a former Pinner Wood Pupil, for paying us a free visit in January. This was a gift to celebrate being back 'home.' Children and staff were mesmerized by the performance and I know it will be remembered for years to come. Thank you to Rosie Seviwright (currently on maternity leave) for organising this. Rosie will be returning to Pinner Wood after Easter. She has been missed!

Winners!

Great News – Pinner Wood won the Bags of Help initiative from Tesco's. £4000 has been awarded to our school. This will go towards removing and installing the play equipment kindly donated by Pinner High School.

This will be combined with the play equipment already purchased by The Friends and the £500 donated by the Pinner Association. However, there is still £1,500 to raise. The Friends will be running some fund raising events in school and opening a 'Just Giving' page so we can try and raise the money; in the hope we can go ahead with the plans for it to be installed over Easter. I know the children are very excited about this. Watch this space for more details.

Site Work

Not much to update this month. The car park drainage work should be complete this week and then we await Phase 2- the car park expansion. We are hoping it will not be long until we have the car park back in action.

We thank you again for all of your support as it gets finished.
